Memo No. 6519

MEMORANDUM FOR: [REDACTED]

SUBJECT: Types of Small Arms in Latin America

REFERENCE: Your [REDACTED] 25X1A6b

1. As you surmised, the subject of your request falls outside our responsibilities. Through dint of some hunting, however, we have come up with the attached list.

2. The one possible defect in the list is on origin of the weaponry in question. We have unvaluated fragments on this but it would require considerable work to thoroughly research it -- and in the end we might find the game not worth the candle.

3. If [REDACTED] requires anything further on this front, let us know. On a personal note, best regards to you and the family.
